Dear Mark,

Here is the comparison (I wanted to show them how big profit them can make in using AB catheters - hence the last column - 1USD = 23 CZK)

Size of the farm	Classical insemination f. rate %	No. of all born	Insemination ABSOLUTE f. rate %	No. of all born	Total profit/year (CZK)
400	65	9,6	77	10	428 051
1000	77	10,2	85	10,3	722 438
1000	73,1	10,08	81	10,13	731 602
550	68	10	88	10,6	964 073
1200	90,6	10,5	97,7	11,1	836 746
1400	76,8	11,13	85,4	11,5	1 063 758

Thanks and best regards
Jarka
